Junior Warriors is about introducing area youth ages 4-6 to the game of soccer and is instructional in nature, with fun games included in training done by our All Area High School players. Under the guidance of our Coaching Director Doug Lehman, the players are taught fundamental soccer skills that will be a foundation for their skills to come. Now in its ninth year, we continue to grow and be the best in the Dayton area. Our programs match US Soccer's latest mandates in Age Appropriate training and small sided games.

The *Junior Warrior Academy* (ages 7 & 8), builds on the foundation of the Junior Warriors. They will meet two nights a week to introduce players to what the select, club soccer environment is like. Junior Academy training and coaching will be done by the Warrior Soccer Club's Professional Trainers.
